

REMARKS/ARGUMENTS

Applicant has reviewed and considered the Office Action and the requirement for election. The differences in the three species set forth in Paragraph 16, 17 and 18 relate only to use and not to the structure of the trailer hitch mirror system illustrated in the drawings and described in the specification. Thus, Applicant has amended Claim 16 to cover the system regardless of use, thereby eliminating the need for Claims 17 and 18 which have been canceled.

As amended in response to the Office Action, Claim 16 should now be ready for examination on the merits.

In view of the above amendments and remarks, Applicant believes the examiner will now find this patent application in a position for allowance and its expeditious passage to same is requested.

Should the examiner have any questions, a call to the undersigned attorney of record is invited.

Respectfully submitted,

By:
